

Catering for Good

Driving healthier, equitable and more sustainable food practices across Victoria by shifting the way we order food for staff meetings, functions and events

How do I order healthy, more sustainable catering?

Do you order catering for staff meetings or functions?

The Catering for Good directory helps you find a range of caterers and their delicious menus!

Healthy Eating Advisory Service

Find out more at heas.health.vic.gov.au/catering-for-good/directory

Healthy and more sustainable food procurement helps us to:

- ✓ Order healthier food and drinks
- ✓ Order catering from businesses that support environmental outcomes
- ✓ Consider ordering catering from social enterprises and businesses owned by Aboriginal and/or Torres Strait Islander peoples
